

# THE EDGERTON EAGLE FEBRUARY 2017 NEWSLETTER

## Friendly Reminder's:

Do not overload the washing machines not only do your clothes not get as clean but you can

break the washer. We have recently had this happen to more than 1 washer. Not only is this an expense for us, but an inconvenience for you to be without a washer.

## VALENTINE'S IDEAS!!!!

Make a book about why you love your spouse and why you are thankful for him/her. The woman who sent this idea wrote, "He loved it! Said it was the best gift he has ever gotten. And it helped me to focus on the things I love about my husband and not his shortcomings."

Take your sweetie on a scavenger hunt. Ask him/her to answer riddles to find the clues to items that you placed somewhere around town. The last item should give instructions that lead to your Valentine's Day activities.

Give your wife a dozen roses. On each stem attach a note for a future date—to do something that she would enjoy. (For example, "Go to the symphony.")

## Early Bird Contest

Every month every one paying their rent before the 1st of the month. Their name will be placed in a hat. We will draw one name and that person will receive \$25.00 off their next months RENT! The Winner for January is N-1. Take \$25.00 off February's rent!!!

## CHILI COOK OFF!!

February 22 at 6:00 pm

Is your chili the best there is? Bring your pot of chili and our judge will decide! There will be prizes. The chili will be judged on the following:

- Color -- Does the chili look appetizing? Does it look bright and colorful or dull and bland?
- Aroma -- Does it smell good? Does the aroma make you want to dig in?
- Consistency -- How is the meat-to-sauce ratio? It shouldn't be runny, mushy or overly thick.
- Taste -- How is the flavor? Do the ingredients blend well, or is one too overpowering? Does the first bite make you want another one?
- Aftertaste -- Once you swallow, is there a spicy taste ("bite") that stays on your tongue? Is it pleasant?

I will have drinks and cornbread and a green salad. Please RSVP by February 16th at the leasing office.

**A SPECIAL NOTE:** We recently conducted a fire safety inspection. We found that we had missing smoke detectors, missing carbon monoxide detectors or devices had no batteries. The wires cut on the hard wired smoke detector in the hallway. **CUT THE WIRES?**

I am shocked this is vital equipment to the health and safety of all our

residents. It is your responsibility to check your equipment once a month and replace the batteries and if they are not working to report it to office. If we again find our equipment missing or damaged or not working you will be charged. Not only is this irresponsible it is against the **LAW!**
